cluding standing room.

Mrs. Effa Manley,  
Owner of Newark Eagles Base Ball Club  
of Negro National League,  
71 Crawford Street,  
Newark, N.J.

Dear Madam:

As per my letter to you of yesterday, I am writing you further in reference to making reservations for your 20 players and Mr. Manley for next Tuesday, Aug. 20th, 1946, now that I have heard from Hotel Vendome and also Hotel Winters. Here is the situation in the matter at this writing: Although neither hotel is in position to guarantee reservations for your 20 players and Mr. Manley for next Tuesday night, the 20th inst., I have been promised that these two hotels would either house your entire party, or take care of some of your players in their hotels, and have connections with people outside of the hotel that have rooms; and, have those of your team taken care of in rooming houses that will not be able to get hotel rooms. In other words, you may now rest assured that your entire party will be accommodated in the manner described hereinabove on Tuesday, August 20th, 1946.

Trusting that this arrangement is satisfactory to you, and looking forward to the visit of your club here to play the New York Cubans here next week, I beg to remain,

Very Truly yours,

*Ray J. Fischer*
